Special Medical Condition and/or Prior Injuries _____

Registration Fee: The Annual Registration fee for the first child is \$30.00 and will be due at registration. A second child is a \$25.00 registration fee. We have a family maximum of \$55.00 for the registration fee for any families with more than two children. A child will not be permitted to participate in class instruction until this fee is paid and the registration form completed and signed. This fee is nonrefundable and must be paid each year upon expiration (one year from date paid).

****Please initial next to each line to indicate you have read and accept the following policies.****

____ Fees Due: Monthly fees are based on the class the student is enrolled in (please see the schedule for monthly fees for each class). The monthly fees for the second child from the same family, or the second hour of instruction per week for the same student, is \$5.00 less per month. There is not an increase in fees for months with a 5th lesson. There are no deductions in fees for months with a holiday. **Monthly class fees are due on the 1st day of each month.** **Students coming to class with unpaid fees after the 1st of the next month will not be permitted to participate in classes until the fees are paid. A late fee of \$10.00 will be charged for payment made after the 10th of the month.** ***Please remember you have the option to mail in your payment on time if the gym is closed to the following address: Mountain Gymnastics Center, P.O. Box 45, Blairsville, GA 30514***

____ Withdrawal: A written withdraw notice is required by the 15th of the month prior to the month you plan on not attending. You are obligated to continue to pay monthly fees until you inform Mountain Gymnastics Center in writing of plans to stop attending. Telling the instructor your child is dropping is not sufficient notification; you must stop by the front office and fill out a Notice of Withdrawal form or email a notice of withdrawal to mtngym@windstream.net.

____ Missed Classes: Students are allowed one make-up class per month. This means that if a student misses two or three classes in one month, the student will be allowed to make up only one missed class. Make-up classes must be scheduled with the office prior to the time of the make-up class. Make-up classes cannot be scheduled over the phone. If you plan on making up any missed classes, they must be during a month that your child is attending and fees are current.

____ Photo Release: I am aware that individual and group publicity photos and videos are taken from time to time and in consideration for my child's participation I hereby grant permission for my child's likeness to be used in Mountain Gymnastics Center publicity or advertising.

I understand that gymnastics is a high-risk activity due to the height and motion of the activity. I recognize that severe injuries, including concussions, permanent paralysis or death can occur in sports or activities involving height or motion; those activities include but are not limited to gymnastics and tumbling. Emergency medical treatment may be given to participant as needed, including transportation to hospital if necessary, until parent or guardian can be notified. Parents(s)/Student assume full responsibility for injury and/or damages which may occur in or around Mountain Gymnastics Center and do hereby release and discharge fully forever the gym owner, employees, and agents from any and all claims, damages and rights of actions, present or future.

Gym Policies and Safety Rules

1. **Bad Weather:** Mountain Gymnastics Center will be closed when bad weather creates dangerous road conditions. If uncertain, call the gym for message concerning closings after 1 pm. Check Facebook at www.facebook.com/mtngym for updates.
2. Parents and gymnasts please enter and exit through the double front doors. Please do not pull straight up to the front doors to unload or pick up children. Instead, park in marked parking spots. This is for the safety of the children.
3. The viewing area for all classes is the lobby. Parking or standing and viewing from the garage door area is prohibited because it causes a safety concern.
4. Please wear shoes from the car into the gym lobby. The gymnasts' feet need to be clean going into the gym. Remember that their heads will be on the same floor as their feet. Gymnasts should also wear shoes out of the gym.
5. Only screw-down cap bottles are allowed in gym or on shelves. No open cups or containers.
6. Please have your child wait inside the gym for you to pick them up. For their safety and others, no child should wait outside the gym.
7. For safety reasons, gymnast must not wear jewelry during class. Also, absolutely NO chewing gum allowed in the gym.
8. Please have gymnasts pull their hair back from their face with clips, or in a ponytail/pigtail.
9. The office window is for business purposes. Please avoid blocking that window or the doors into the gym with chairs. This area is marked by tape.
10. If you need to pick up your child early, please let the office personnel know. If no one is in the office, step inside the gym door and ask a coach to get your child for you.
11. Daddies, please use the restroom near the front door. The other restroom is for girls only.
12. Please make sure your child is on time for class. The warm-up period at the beginning is very important.
13. Please tell children to use the waiting room simply for waiting. No tumbling, jumping, or leaping is allowed. We want to keep our gymnasts safe. Small children should not be left unattended in the waiting room.
14. The lobby is for your enjoyment. Be courteous of others.
15. Please notify others who might be bringing your children to the gym of these policies and rules.
16. **Discipline:** Students not following coach's direction will be given "reminders" and may miss one turn. After 2 "reminders" student will be escorted to parent in lobby or office personnel if parent is not in lobby for a short time out.

I have read and accept the Gym Policies and Safety Rules of Mountain Gymnastics Center.
